

 **pergoloft**

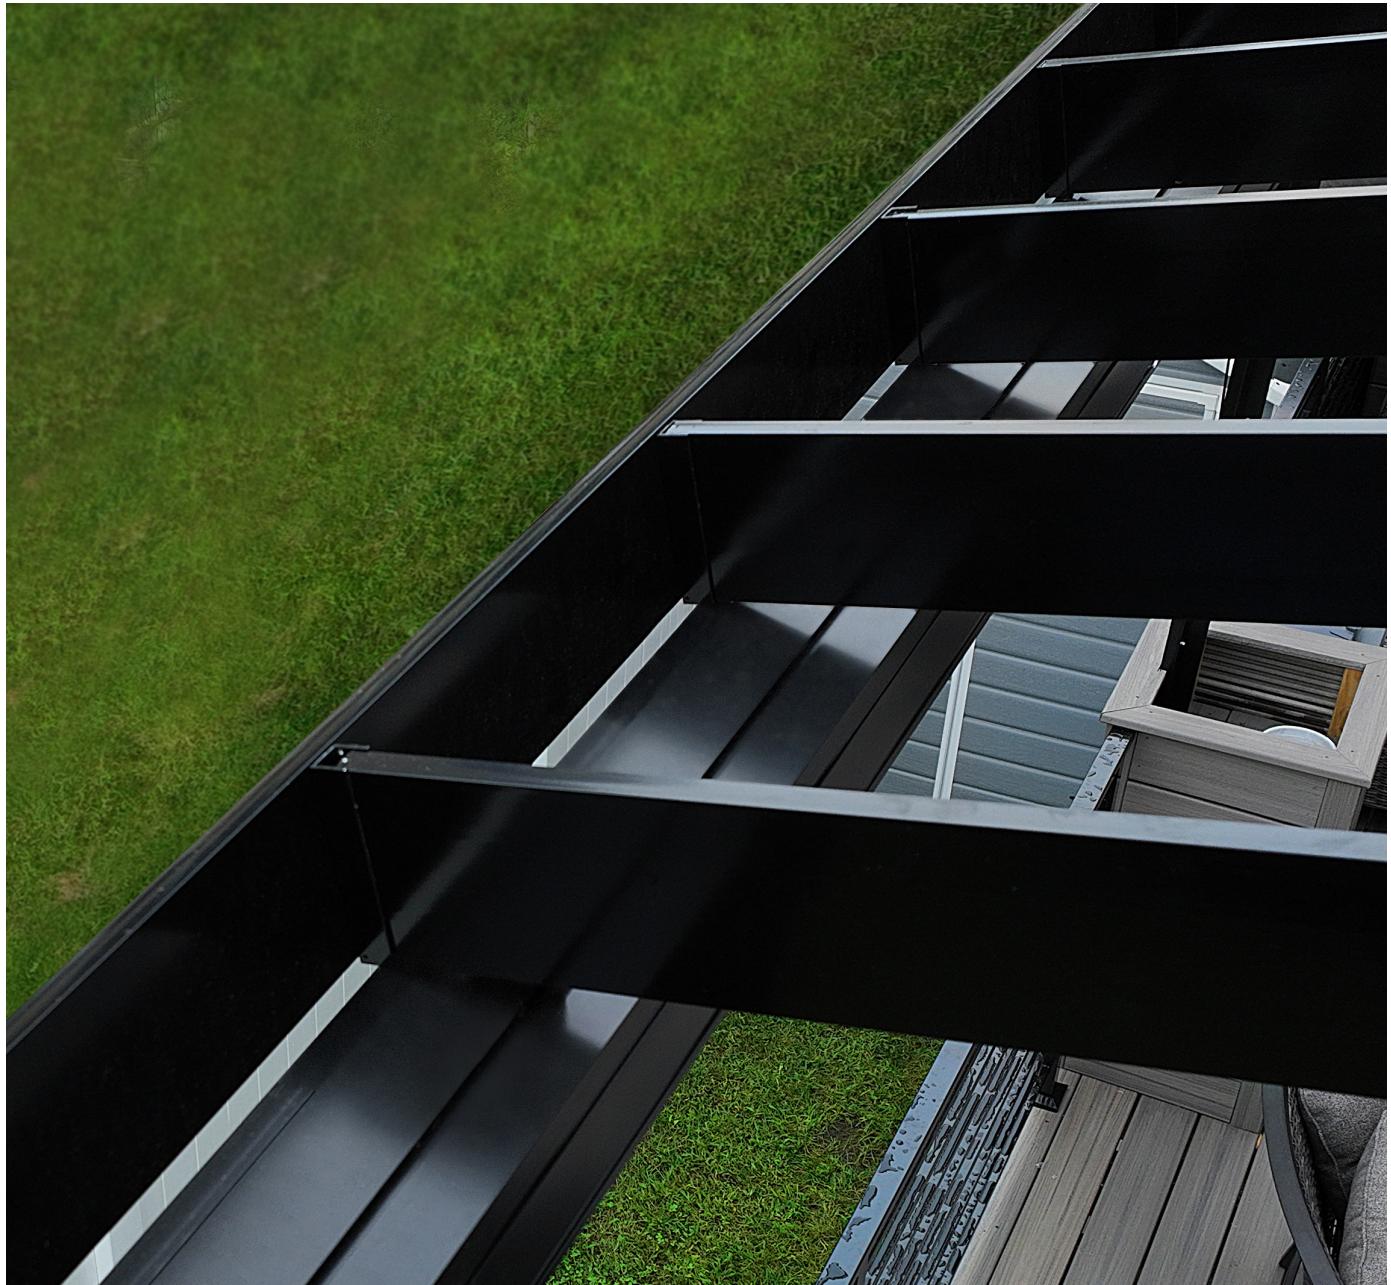

The latest awning innovation from Tri State Awnings, the PergoLoft, combines awning functionality with a luxurious pergola aesthetic.

A PRODUCT OF

**Tri State Awnings®** 

## PergoLoft

In order to create a truly exceptional awning that seamlessly blends the robust structural attributes of a roll-up awning with unparalleled aesthetic charm, our dedicated R&D team embarked on a groundbreaking journey.

By ingeniously merging the elements of glass, aluminum, and high-quality vinyl fabric, we proudly introduce to you the PergoLoft—a luxurious awning that exudes the elegance of a pergola.

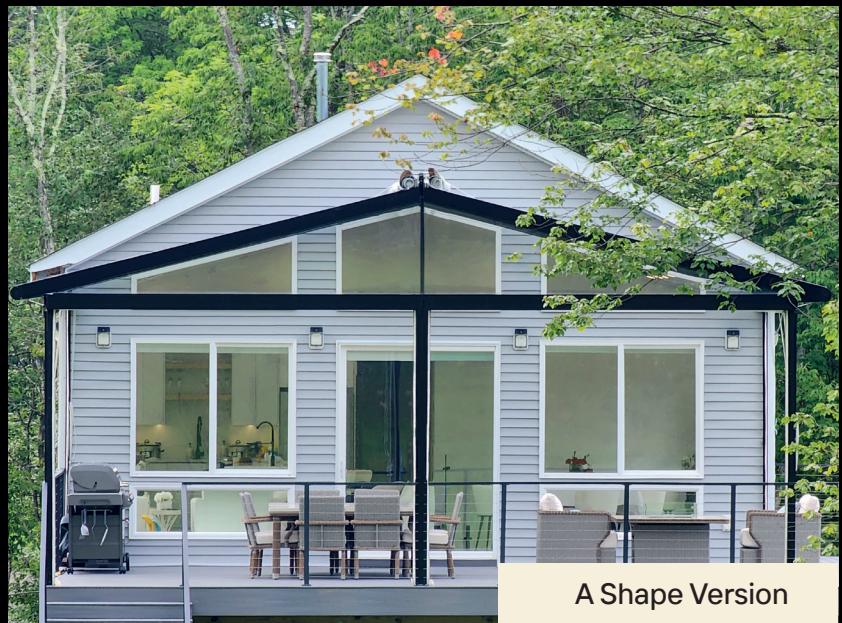

## Features

- Includes all features of our ever-popular roll-up awning.

## Integration to The Instant Sukkah

Designed for combined functionality and ease, the Instant Sukkah is the only structure that brings interior design outdoors in less than a minute. Comprised of sleek metal frames and premium grade PVC, the innovation is in the setup.

PergoLoft integrates seamlessly with the Instant Sukkah, and allows you to extend your space well beyond the holiday season, creating a year-round, hassle-free outdoor lounging experience.
